Papers from **ICSCCM 2026** will be published in Scopus indexed sources upon satisfactory peer-reviewed process.

The 17th International Conference on Science, Computing, Chemistry & Management (ICSCCM 2026) aims to publish refereed, original research studies and articles that are well-written and describe the latest developments and research in the soft computing and computational mathematics area. The conference is broad-based and covers all branches of computing, mathematics, chemistry, management, and interdisciplinary research works. ICSCCM is a peer-reviewed conference. It is a continuation of the ICSCCM that was held successfully in hybrid form in Kuala Lumpur, Langkawi, Malaysia, İstanbul, Türkiye, and Bandung, Indonesia.

All papers from the previous **ICSCCM conference series (Organized by the Science and Knowledge Research Society)**, that selected Scopus indexed publication, are published online in the **Scopus indexed sources**. For information about the previous ICSCCM events and the publication process for them, you may refer to the website of the conference.

You may send by email to info@icsccm.com and at the same time submit your manuscript using the online submission system.
